SENSE OF DETAILS

Feel for Success

F3 Shooting glasses
One-piece polycarbonate 6C lens offers unrestricted field of view. Three lenses in smoke grey, orange and violet provide UV protection and quick interchangeable use. Depending on light conditions, visibility, contrast and contour definition can be optimized through the right choice and combination of lenses. Additional refinements: adjustable nose piece, soft nose and ear pads, well-ventilated and light-weight. Includes hard case and protective bag.

It has distinguished itself at international shooting contests and has been an inspiration for passionate shooters ever since it was introduced: Blaser's F3 shotgun. Its ergonomics and features are fine-tuned to the shooter's natural movement when shooting. The same applies to the line of accessories complementing this successful shotgun. The ensemble brings success to every facet of the shooting experience.

1 · F3 Shooting Vest
Dark navy blue, robust materials and black leather trimming for buttstock and along pocket borders combine into professional and casually elegant apparel for the shooter. Double hand-warmer pockets, one zip pocket and a large back pocket with lateral slits on both sides offer ample space for ammunition, shooting glasses, etc. Additional refinements include: adjustable waistband, two-way zip, movement slits. Titanium-coloured Blaser logo on the breast pocket. Made of 65 % polyester, 35% cotton. Available sizes S – 5XL. Available also for left-handed shooters.

2 · F3 Shooting Blouson
Wind- and water-repellent, ultra-light and ideal for wear under the shooting vest. With covered two-way zip, elastic cuffs and waistband and high-closed collar. Conveniently tucked away in an included bag zipped to the inside back of the blouson. Colour: black. Dimensions of the bag: 22 x15 cm. Material 100% polyester. Available sizes XS – 5XL.

3 · F3 Shooting Jacket
Long-sleeved for the use in cold weather. In dark navy blue and with black leather trimming at shoulder level for buttstock and along the pocket borders. The shooting jacket distinguishes itself through its handy design: towel holder, adjustable waistband, movement slits on the sides, roomy hand-warmer pockets, large back pocket with lateral slits on both sides, and elastic cuffs. Two inside pockets for documents. Mesh padding in the back area keeps the shooter comfortable. Titanium-coloured Blaser logo on the breast pocket. Made of 65 % polyester, 35% cotton. Available sizes XS – 5XL.

4 · F3 Slip Bag
The slender sheath offers quick and easy access to the shotgun. Robust outer materials and quilted fleece lining provide optimal protection. With high-quality leather trimming on opening flaps, carrying handle, edges and pockets. Handy quick-release clasp and removable, adjustable carrying strap. Large exterior pocket with Velcro strip. Made of ballistic nylon.

F3 Shirts

The new basics for ambitious shooters and F3 fans, offering a fashionably attractive choice of colours. Made of 100% combed cotton. Available in sizes XS – 3XL.

Polo-Shirts

With large logo imprint. Button-fly trimming in contrasting colour:
